The Child Is Innocent Foundation is an international not-for-profit foundation providing quality education for children in Northern Uganda whose lives have been impacted by the 20-year conflict. For more information about the children, their plight, and how we are trying to make a difference, please visit www.thechildisinnocent.ca or call 780-628-1386.

This photo of young people playing hand-made instruments in the Lacor Internally Displaced Persons Camp was taken by one of our sponsored students, Miriam, using a disposable camera. The photo was part of an art exhibit of our students' work which was held in Kampala, August 2006.
